

Estate Manager

Croydon

To £65,000

Summary of position:

- New position to manage large mixed-use scheme
- Management of on-site team

Job details:

Our client is a large and expanding Managing Agent based in London who oversee and manage a portfolio of larger mixed-use developments in Central London.

They are now seeking an experienced residential block manager or Estate Manager to oversee the day-to-day running of a large mixed use scheme close to Croydon. You will have full management responsibility for the site, be responsible for a team of on-site staff, ensuring the site is well presented, ensuring compliance to Health & Safety and fire regulations, have budgetary responsibility and build strong on-going relationships with residents.

We are looking for an experienced Estate Manager or a Senior Block Manager looking to move across to the management of one site. You should have exceptional customer service skills, well organised and be able to manage a team. The successful person can expect an excellent salary and benefits package.
