

New Business Manager (Block Management)

London

£45,000

Summary of position:

- Exciting role concentrating on New Business
- Forward thinking and growing Managing Agent
- Flexible position with scope to progress

Job details:

We have an opportunity for a New Business Manager with a very good client of ours based in Central London. Due to continued expansion they are looking to appoint an experienced block manager into a New Business Manager role.

Working closely with the London property management team you will be responsible for sourcing new business opportunities and facilitating incoming enquiries. You will be responsible for meeting and presenting to new clients, understanding requirements, creating proposals. You will be dealing with developers and existing build developments and take the process thorough this initial contact and through to handover with the Property Management team.

We are either looking for someone with new business experience in the block management sector or an experienced and outgoing Block Manager who is keen to move across into new business. We are looking for an articulate and strong communicator who is looking to progress their career. An excellent salary and package is on offer.
