Property Manager

Mayfair

£40,000

Summary of position:

- New position for Property Manager based in Central London
- Large firm of Surveyors and Asset Managers
- Residential block portfolio with scope to have involvement with commercial developments too

Job details:

We have an exciting new position available with a client of ours based in Mayfair. They are an established firm of Surveyors and Asset Managers who are looking to further expand their Asset Management team.

They are now looking to appoint a Property Manager to work within a friendly, professional team to manage a portfolio of residential developments in Central London. You will be tasked with carrying out inspections, service charge budgeting, overseeing on site staff and contractors, dealing with major works and providing an excellent level of service. As a Multi-Disciplined practice you will also get the opportunity to be involved with commercial management instructions too.

We are looking for an experienced Property Manager who is keen to progress their career. An excellent salary along with prospects to advance your career are on offer. There is additionally excellent scope to get involved in more varied areas of Asset Management. Please forward a full CV in the first instance.
