

Senior Property Manager

North London

£45000

Summary of position:

- Role overseeing a portfolio of a couple of larger developments
- Scope for career progression
- Friendly team

Job details:

We have a brand new opportunity based in North London for a Senior Property Manager. Our client is an expanding team with a friendly working culture. They are now seeking a Senior Property Manager to oversee a small number of larger schemes based in North London.

You will have key responsibility for a couple of schemes, overseeing the day to day running of the sites together with overseeing on-site staff such as the Estate Managers. Other responsibilities include service charge budgeting, overseeing H&S compliance, carrying out meetings, resolving issues, overseeing contractors and maintenance and ensuring a high level of service.

We are looking for someone with experience in larger developments ideally with an IRPM qualification. You should have excellent communication skills and good technical knowledge. An excellent salary is on offer to the successful person.
