RECRUITMENT

Estate Manager

SE1/Southwark

To £50k

Summary of position:

- Large, prestigious development
- New Development
- Exciting opportunity

Job details:

We have an exciting opportunity for an Estate Manager to oversee a large mixed-use development in Central London. Our client is a growing firm with some large developments under its Management. They are now looking to source an experienced individual to take the lead on managing this prestigious development.

You will have full responsibility for the day to day running of the development which will entail ensuring the site is presented well, secure and adheres to all various H&S legislation. You will be responsible for a team of on-site staff, contractor management, liaising with leaseholders, overseeing some Commercial properties and have involvement in all areas across the site.

We are looking for an experienced Estate Manager who is a strong leader who can lead a team. Experience in mobilising a site would be advantageous but not essential. The successful person can expect an excellent salary. Please forward a full CV in the first instance.
